This year will be our 4th Annual Race Against Cancer (RAC) over the last three years we have had well over 300 entries & racers from 7 states. We raised \$9900 for the American Cancer Society (ACS). All the moneys brought in from the: Race Entries, T-Shirt sales, Raffles & any money donations go directly to the ACS. Doug McCullough is good enough to donate the track & all the track officials help is donated. This years goal is \$5000.

We are looking for donation prizes to be raffled off to help raise money. We appreciate anything you can do. If you are interested in donating & want to be put on the T-shirt please email or fax me by Aug. 24th so I can be sure to get your company on the T-shirt. Any product can be sent to Gary Wiant Vinyl Graphics Unlimited 9912 Rt. 322 Shippenville, PA.
